2013 MAR -5 A 7 14

CHIEF CLERK'S OFFICE
HOUSE OF REPRESENTATIVES

HOUSE OF REPRESENTATIVES

AMENDMENT TO: H.B. No. 411, H.D. 2

OFFERED BY: Representative Bob McDermott

DATE: March 5, 2013

SECTION 1. House Bill No. 411, H.D. 2, section 1, is amended by deleting lines 12 to 14 in their entirety and line 15 partially, so that the last paragraph on page 1 reads as follows:

"The provision of emergency contraception to sexual assault victims is the most widely recognized and accepted standard of care for sexual assault victims. The American Medical Association and the American College of Obstetricians and Gynecologists have stated that sexual assault victims should be informed about and provided emergency contraception. However, a 2010 survey of emergency facilities in Hawaii revealed a lack of clear policy on the issue."

SECTION 2. House Bill No. 411, H.D. 2, section 2, is amended by renumbering §321-B (d) to §321-B(e) at line 10, page 5.

SECTION 3. House Bill No. 411, H.D. 2, section 2, is amended by inserting the following at line 10, page 5:

"(d) This section shall not require any individual to discuss, perform, or assist in the discussion or performance of any part of the activities required herein if such discussion or

activity would be contrary to the individual's religious beliefs or moral convictions.
