# A BILL FOR AN ACT

RELATING TO MORTGAGE SERVICERS.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. Chapter 454M, Hawaii Revised Statutes, is  
2 amended by adding a new section to be appropriately designated  
3 and to read as follows:

4           "§454M- Residential mortgage loan delinquencies and loss  
5 mitigation efforts. (a) Mortgage servicers shall make  
6 reasonable and good faith efforts consistent with this chapter  
7 to engage in appropriate loss mitigation options, including loan  
8 modifications, to assist borrowers to avoid foreclosure.  
9 Mortgage servicers shall provide timely and appropriate  
10 responses to borrower inquiries and complaints regarding  
11 available loss mitigation options and ensure that borrowers are  
12 not required to submit multiple copies of required documents  
13 during consideration for any loss mitigation option. In the  
14 event of a delinquency or other act of default on the part of  
15 the borrower, or whenever a borrower who is at imminent risk of  
16 default contacts the mortgage servicer with respect to a loan

1 modification or other loss mitigation option, the mortgage  
2 servicer shall:

3 (1) Inform the borrower of the facts concerning the loan,  
4 the nature and extent of the delinquency or default,  
5 the mortgage servicer's loss mitigation option  
6 protocols, and the loss mitigation options and  
7 services offered by the mortgage servicer in  
8 accordance with this chapter; and

9 (2) Pursue loss mitigation options with the borrower,  
10 including a loan modification whenever possible, in  
11 accordance with this chapter, and, if the borrower  
12 replies, negotiate with the borrower, subject to the  
13 mortgage servicer's lawful duties and obligations  
14 under the mortgage servicing contract, if any, to  
15 attempt a resolution or workout of the delinquency or  
16 to prevent the borrower's default.

17 (b) Mortgage servicers shall consider a loan modification  
18 as an alternative to foreclosure when:

19 (1) The borrower demonstrates that the borrower has  
20 experienced a financial hardship and is either unable  
21 to maintain the payment at the current amount required

1           under the mortgage loan or is unable to make up the  
2           delinquent payments; and

3           (2) The net present value of the income stream expected of  
4           the modified loan is greater than the net present  
5           value of the income stream that is expected to be  
6           recovered through the disposition of the property  
7           through a foreclosure sale.

8           (c) Mortgage servicers that are participating in the Home  
9           Affordable Modification Program shall offer loan modifications  
10           in compliance with the Home Affordable Modification Program  
11           guidance and directives, including using reasonable efforts to  
12           remove prohibitions or impediments to the mortgage servicer's  
13           authority, and obtain third party consents and waivers that are  
14           required by contract or law to effectuate a loan modification  
15           under the Home Affordable Modification Program.

16           (d) Unless a longer time is permitted under the guidance  
17           or directives implementing the Home Affordable Modification  
18           Program, within ten business days of receiving a request from a  
19           borrower or the borrower's authorized representative for one or  
20           more loss mitigation options, the mortgage servicer shall  
21           transmit a written acknowledgment of the request to the borrower

1 and, if applicable, to the authorized representative. The  
2 acknowledgment shall identify with specificity any information  
3 needed from the borrower for the mortgage servicer to review the  
4 borrower's loss mitigation option request. The acknowledgment  
5 shall also include an explanation of the loss mitigation option  
6 process, including the following, as appropriate:

- 7       (1) The information that the borrower may be asked to  
8           provide and third party approvals that may be required  
9           for the mortgage servicer to evaluate and complete the  
10          request for a loan modification or other loss  
11          mitigation option;
- 12       (2) The average length of time for a decision to be made  
13          regarding a loan modification or other loss mitigation  
14          option; and
- 15       (3) A notification of the actions the mortgage servicer,  
16          lender, or owner of the mortgage may take during the  
17          loss mitigation option process, such as whether the  
18          borrower may continue to receive collection letters or  
19          foreclosure notices, whether the foreclosure process  
20          will continue, or whether and to what extent  
21          collection and foreclosure will be stayed.

1       (e) Within thirty days of receiving all required  
2 documentation from the borrower and third parties, unless a  
3 shorter time is required under applicable state or federal rules  
4 or regulations pertaining to mortgage servicing or under  
5 guidance or directives implementing the Home Affordable  
6 Modification Program, a mortgage servicer shall complete its  
7 evaluation of the borrower's eligibility for a loan modification  
8 or any other loss mitigation option requested by the borrower  
9 and advise the borrower, and if applicable, the borrower's  
10 authorized representative, in writing of the mortgage servicer's  
11 determination.

12       If the mortgage servicer approves the borrower for a loan  
13 modification, including a trial loan modification, or other loss  
14 mitigation option, the written notice shall provide the borrower  
15 with clear and understandable written information explaining the  
16 material terms, costs, and risks of the loss mitigation option  
17 offered.

18       If the mortgage servicer determines that the borrower  
19 cannot be approved for a loan modification or other requested  
20 loss mitigation option, the written notice shall state with  
21 specificity:

- 1       (1) The reasons for the determination;
- 2       (2) Procedures, deadlines, and contact information for a
- 3           person at the mortgage servicer for reconsideration,
- 4           dispute, or appeal of the determination; and
- 5       (3) Any other loss mitigation option for which the
- 6           borrower may be considered.

7   In addition, the written notice shall include the following  
8   statement, in boldface type and in print no smaller than the  
9   largest print used elsewhere in the main body of the written  
10 notice: "If you believe your loss mitigation option request has  
11 been wrongly denied, you may file a complaint with the state  
12 division of financial institutions at [insert current division  
13 telephone number] or [insert current division website address  
14 for consumer complaints]".

15       (f) A mortgage servicer shall take reasonable steps to  
16 ensure that the mortgage servicer's staff is aware of programs  
17 designed to assist borrowers to avoid foreclosure or resolve  
18 delinquency. The mortgage servicer shall make available to  
19 borrowers who are at least sixty days delinquent or who the  
20 mortgage servicer has reason to believe are experiencing a  
21 financial hardship and are in imminent risk of default, a list

1 of government approved not-for-profit housing counselors in the  
2 borrower's geographic area, as listed on the website of the  
3 United States Department of Housing and Urban Development.

4 (g) A mortgage servicer shall maintain and make available  
5 to borrowers and borrowers' authorized representatives current  
6 contact information to communicate and negotiate with the  
7 mortgage servicer's designated loss mitigation option staff who  
8 are authorized to discuss and negotiate loss mitigation options.  
9 The contact information shall include all toll-free telephone  
10 numbers for direct communication with a loss mitigation option  
11 staff person, fax numbers for receipt of documents, and  
12 electronic mail addresses.

13 (h) The mortgage servicer shall establish and maintain a  
14 process through which borrowers may bring disagreements to a  
15 supervisory level where a separate review of the borrower's  
16 eligibility or qualification for a loss mitigation option can be  
17 performed. A mortgage servicer shall not require a borrower to  
18 waive legal claims and defenses as a condition of a loan  
19 modification, forbearance, or repayment plan.

20 (i) Delay caused by the mortgage servicer shall not be  
21 counted in calculating the passage of time where a Home

1 Affordable Modification Program, proprietary, or other loan  
2 modification program specifies:

3 (1) A time limit for a borrower action or response,  
4 including appealing or disputing a denial of a request  
5 for a loss mitigation option under subsection (e), or  
6 providing documents;

7 (2) A time after which a document is considered stale or  
8 too old to use; or

9 (3) A time during which a mortgage servicer is barred from  
10 taking certain action adverse to the borrower,  
11 including taking steps toward foreclosure or referring  
12 the borrower's account to foreclosure.

13 Examples of delay caused by the mortgage servicer include the  
14 mortgage servicer's failure to timely send a communication or  
15 request to the borrower, duplicative or piecemeal document  
16 requests delaying completion of a file, and failure to identify  
17 additional documents needed to complete a borrower's loan  
18 modification application. The mortgage servicer shall  
19 reasonably extend the applicable period and promptly inform the  
20 borrower in writing of the specific extension period.

1        (j) Nothing in this section shall be construed to prevent  
2 a mortgage servicer from offering or accepting alternative loss  
3 mitigation options, including other modification programs  
4 offered by the mortgage servicer, a short sale, a deed-in-lieu  
5 of foreclosure, or forbearance, if the borrower requests such an  
6 alternative, is not eligible for or does not qualify for a loan  
7 modification under the Home Affordable Modification Program, or  
8 rejects the mortgage servicer's loss mitigation option proposal.

9        (k) A mortgage servicer shall avoid taking steps to  
10 foreclose or to refer a borrower to foreclosure if the borrower  
11 has requested and is being considered for a loss mitigation  
12 option or if the borrower is in a trial or permanent loan  
13 modification and is not more than thirty days in default under  
14 the loan modification agreement.

15        (l) A mortgage servicer shall ensure that the mortgage  
16 servicer and the mortgage servicer's attorneys and agents comply  
17 with the requirements of chapter 667.

18        (m) A mortgage servicer shall establish and maintain a  
19 system for servicing delinquent loans."

1 Voluntary surrender of a license shall be effective upon  
2 the date of surrender specified on the written notice to the  
3 commissioner as required by this subsection; provided that if a  
4 mortgage servicer is required to assign, sell, or transfer the  
5 servicing of any loans, the voluntary surrender of the mortgage  
6 servicer's license shall be effective upon the effective date of  
7 the assignment, sale, or transfer of the servicing of all loans.

8 (j) Before a mortgage servicer's license becomes  
9 effective, the applicant or licensee shall file with the  
10 commissioner a surety bond written by a surety authorized to  
11 write surety bonds in this State, covering the applicant or  
12 licensee's principal office and any branch office from which the  
13 applicant or licensee acts as a mortgage servicer, in a penal sum  
14 of \$100,000. No mortgage servicer licensee shall act as a  
15 mortgage servicer in this State without maintaining the surety  
16 bond required by this section.

17 The surety bond shall be:

18 (1) In a form approved by the attorney general of this  
19 State; and

20 (2) Conditioned upon the mortgage servicer licensee  
21 faithfully performing any and all written agreements or

1           commitments with or for the benefit of borrowers and  
2           mortgagees, truly and faithfully accounting for all  
3           funds received from a borrower or mortgagee in the  
4           person's capacity as a mortgage servicer, and  
5           conducting the mortgage business consistent with the  
6           provisions of this chapter to perform any written  
7           agreements or commitments.

8           (k) The commissioner, or any person claiming to have  
9           sustained damage by reason of the failure of the mortgage  
10           servicer to comply with the mortgage servicer's bond, or by the  
11           wrongful conversion of funds paid by a borrower to the mortgage  
12           servicer, may bring an action on the bond to recover the damage  
13           therefrom. The commissioner may deposit with a court of  
14           competent jurisdiction all or any part of the sum of the bond.  
15           The proceeds of the bond, even if mixed with other assets of the  
16           principal, shall be deemed by operation of law to be held in  
17           trust for the benefit of claimants against the principal in the  
18           event of bankruptcy of the principal and shall be immune from  
19           attachment by creditors and judgment creditors. The surety bond  
20           shall run concurrently with the period of the license for the  
21           principal office of the mortgage servicer and the aggregate

1 liability under the bond shall not exceed the penal sum of the  
2 bond. The principal shall notify the commissioner of the  
3 commencement of an action on the bond. When an action is  
4 commenced on a principal's bond, the commissioner may require the  
5 filing of a new bond and immediately on recovery on any action on  
6 the bond, the principal shall file a new bond.

7       (1) A surety may cancel the surety bond required by this  
8 section at any time by a written notice to the principal  
9 stating the date cancellation shall take effect. The notice  
10 shall be sent by certified mail to the principal at least thirty  
11 days prior to the date of cancellation. A surety bond shall not  
12 be canceled unless the surety notifies the commissioner, in  
13 writing, not less than thirty days prior to the effective date of  
14 cancellation. After receipt of the notification from the surety,  
15 the commissioner shall give written notice to the principal of the  
16 date the cancellation shall take effect. The commissioner shall  
17 automatically suspend the license of a mortgage servicer on that  
18 date. No automatic suspension or inactivation shall occur if,  
19 prior to the date that the bond cancellation shall take effect:

20       (1) The principal submits a letter of reinstatement of the  
21       bond or a new bond; or

1       (2) The mortgage servicer licensee has ceased business in  
2       this State and has surrendered all licenses in  
3       accordance with this chapter.

4       Automatic suspension of a mortgage servicer license by the  
5       commissioner, and subsequent orders and proceedings, if any,  
6       shall be conducted pursuant to section 454M-7.

7       (m) If the commissioner finds that the financial  
8       condition of a mortgage servicer so requires, as evidenced by  
9       the reduction of tangible net worth, financial losses, or

7           a pending bankruptcy proceeding, a mortgage servicer shall send  
8           a payment reminder notice to a borrower at the borrower's last  
9           known address no later than seventeen days after the payment

16 fee in exchange for the services;

17 (3) In addition to the limitations in paragraph (2),  
18 attorneys' fees charged in connection with a
