## A BILL FOR AN ACT

RELATING TO THE DEPARTMENT OF TRANSPORTATION.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that to enhance the  
2 safety and operations of the department of transportation, it is  
3 vitally important to relocate the Clear Channel broadcast  
4 antenna in order to provide a safe flight plan in the case of a  
5 "one engine inoperable" scenario. This Act also provides  
6 additional capacity at Honolulu harbor by increasing harbor  
7 traffic as a result of limiting obstructions to flight paths.

8           SECTION 2. The director of finance is authorized to issue  
9 general obligation bonds in the sum of \$                   or so much  
10 thereof as may be necessary and the same sum or so much thereof  
11 as may be necessary is appropriated for fiscal year 2015-2016  
12 for the purpose of relocating the Clear Channel antenna,  
13 including design and construction, equipment and appurtenances,  
14 and ground and site improvements.

15           SECTION 3. The appropriation made for the capital  
16 improvement project authorized by this Act shall not lapse at  
17 the end of the fiscal biennium for which the appropriation is

1 made; provided that all moneys from the appropriation  
2 unencumbered as of June 30, 2018, shall lapse as of that date.

3 SECTION 4. The sum appropriated shall be expended by the  
4 department of transportation for the purposes of this Act.

5 SECTION 5. This Act shall take effect on July 1, 2015.
