
A BILL FOR AN ACT

RELATING TO DROUGHT MITIGATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that a viable agriculture
2 industry requires a steady, reliable supply of water. However,
3 drought conditions continue to adversely affect farms and
4 ranches in the State, hampering their ability to produce quality
5 products on a consistent basis throughout the year.

6 The legislature believes that to address the harmful impact
7 of droughts, mitigation measures laid out in the Hawaii drought
8 plan must be implemented. The goal of the Hawaii drought plan
9 is to develop coordinated emergency response mechanisms while at
10 the same time outlining steps toward mitigating the effects of
11 future drought occurrences. The Hawaii drought plan provides
12 clear policies and specifies response entities to implement
13 immediate, short-term, and long-term response measures to
14 mitigate the impact of droughts.

15 The legislature also finds that in 2004, county drought
16 committees were formed for each of the four counties in Hawaii.
17 Each county drought committee developed a drought mitigation

1 strategy for its respective county, with a focus on drought
2 mitigation projects. These county drought mitigation strategies
3 represent the local needs and concerns of each county and are
4 incorporated by reference into the Hawaii drought plan.

5 The legislature further finds that to implement the Hawaii
6 drought plan adequately, sufficient funding to the counties is
7 necessary to address the many challenges that our agriculture
8 industry faces in preparing for droughts.

9 The purpose of this Act is to provide funding to pursue
10 drought mitigation projects and measures in each county of the
11 State.

12 SECTION 2. There is appropriated out of the general
13 revenues of the State of Hawaii the sum of \$ or so much
14 thereof as may be necessary for fiscal year 2016-2017 for
15 drought mitigation projects and measures in each county of the
16 State.

17 The sum appropriated shall be expended by the department of
18 land and natural resources for the purposes of this Act.

19 SECTION 3. This Act shall take effect on January 20, 2050.

Report Title:

Drought Mitigation; Appropriations for County Projects

Description:

Appropriates funds for county drought mitigation projects and measures. (HB503 HD1)
