
A BILL FOR AN ACT

RELATING TO THE AGRICULTURAL EXTENSION SERVICE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the University of
2 Hawaii college of tropical agriculture and human resources is in
3 critical need of personnel for its cooperative extension service
4 to improve and strengthen Hawaii's sustainability in agriculture
5 through educational programs. The college houses a cooperative
6 extension service that partners with federal, state, and county
7 governments, with the responsibility to provide science-based
8 information and education programs in agriculture, natural
9 resources, and human resources. The extension offices are
10 located throughout the State, with roughly twenty-five extension
11 agents statewide. The cooperative extension service provides
12 valuable tools that the public can use to strengthen communities
13 and sustain Hawaii's agricultural economy. Extension personnel
14 provide various services to the communities within each county,
15 ranging from individual consultations, educational workshops,
16 and short courses on relevant subjects, including agriculture,
17 home economics, family living, 4-H and other youth activities,
18 nutrition, and health.

1 The legislature also finds that, over the past twenty
2 years, the college of tropical agriculture and human resources'
3 cooperative extension service has experienced a forty-three per
4 cent decrease in extension agents who service the various
5 counties, including a twenty-seven per cent decrease since 2008.
6 Many of the community services that the extension service offers
7 have been cut as a result of the decrease.

8 The purpose of this Act is to address the budgetary
9 shortfalls experienced by the University of Hawaii college of
10 tropical agriculture and human resources' cooperative extension
11 service by appropriating moneys for critical unfunded positions.

12 SECTION 2. There is appropriated out of the general
13 revenues of the State of Hawaii the sum of \$ or so
14 much thereof as may be necessary for fiscal year 2015-2016 and
15 the same sum or so much thereof as may be necessary for fiscal
16 year 2016-2017 for the following positions in the cooperative
17 extension service administered by the University of Hawaii
18 college of tropical agriculture and human resources:

20 in the county of Maui;
