5 diagnosis, counseling, and related activities. (a)

6 Notwithstanding any other law to the contrary, a minor who is  
7 twelve years of age or older may consent to mental health  
8 treatment or counseling services provided by a licensed mental  
9 health professional if, in the opinion of the licensed mental  
10 health professional, the minor is mature enough to participate  
11 intelligently in the mental health treatment or counseling  
12 services.

13 (b) The mental health treatment or counseling services of  
14 a minor authorized by this section shall include involvement of

2 mental health professional shall state in the client record  
3 whether and when the treating clinician attempted to contact the  
4 minor's parent or legal guardian, and whether the attempt to  
5 contact was successful or unsuccessful, or the reason why, in  
6 the treating licensed mental health professional's opinion, it  
7 would be inappropriate to contact the minor's parent or  
8 guardian.

9 (c) A minor may not abrogate consent provided by a parent  
10 or legal guardian on the minor's behalf. A parent or legal  
11 guardian may not abrogate consent given by the minor on the  
12 minor's own behalf.

13 (d) If a minor consents to receive mental health treatment  
14 or counseling services pursuant to this section, the minor shall  
15 not be liable for payment.

16 (e) The minor's parents or legal guardian is not liable  
17 for payment for mental health treatment or counseling services  
18 provided pursuant to this section unless the parent or guardian  
19 participates in the mental health treatment or counseling  
20 services, and then only for services rendered with the  
21 participation of the parent or guardian.

1        (f) As used in this section:
