

STAND. COM. REP. NO. 2141

Honolulu, Hawaii

FEB 11 2016

RE: S.B. No. 2975

Honorable Ronald D. Kouchi
President of the Senate
Twenty-Eighth State Legislature
Regular Session of 2016
State of Hawaii

Sir:

Your Committee on Education, to which was referred S.B. No. 2975 entitled:

"A BILL FOR AN ACT RELATING TO BLOOD GLUCOSE MONITORING,"

begs leave to report as follows:

The purpose and intent of this measure is to allow Department of Education employees to administer or assist students in administering blood glucose monitoring tests.

Your Committee received testimony in support of this measure from the Department of Education, Department of Health, American Diabetes Association, Diabetes Education and Support Consulting Services, and eleven individuals.

Your Committee finds that blood glucose monitoring is vitally important to students with diabetes. Under certain circumstances, some students may require immediate assistance administering blood glucose tests. Allowing Department of Education employees to assist students with diabetes in administering such tests will help keep those students medically safe at school.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee is in accord with the intent and purpose of S.B. No. 2975 and recommends that it pass Second Reading and be referred to your Committee on Commerce, Consumer Protection, and Health.

Respectfully submitted on
behalf of the members of the
Committee on Education,

MICHELLE N. KIDANI, Chair

The Senate
 Twenty-Eighth Legislature
 State of Hawai'i
