

STAND. COM. REP. NO.

2479

Honolulu, Hawaii

FEB 19 2016

RE: S.B. No. 3101

Honorable Ronald D. Kouchi  
President of the Senate  
Twenty-Eighth State Legislature  
Regular Session of 2016  
State of Hawaii

Sir:

Your Committee on Economic Development, Environment, and Technology, to which was referred S.B. No. 3101 entitled:

"A BILL FOR AN ACT RELATING TO PUBLIC-PRIVATE PARTNERSHIPS,"

begs leave to report as follows:

The purpose and intent of this measure is to require the Department of Business, Economic Development, and Tourism to conduct a study on the feasibility of establishing a public-private partnership resource agency within the Department of Business, Economic Development, and Tourism, for all state departments, divisions, and agencies to utilize.

Your Committee received comments on this measure from the Department of Business, Economic Development, and Tourism.

Your Committee finds that the State needs creative mechanisms to generate revenues to address increased spending on public services, repairs, facility maintenance, and backlogged projects. Partnerships with the private sector bring enhanced efficiencies to funding, faster and less expensive project implementation, economic development and investment opportunities, and access to private sector expertise, thus enabling the sustainable management and maintenance of facilities; however, the State lacks a comprehensive process for all agencies to engage in public-private partnerships. This measure requires the Department of Business, Economic Development, and Tourism to lead an effort to determine the feasibility of one option to facilitate partnership efforts.

As affirmed by the record of votes of the members of your Committee on Economic Development, Environment, and Technology that is attached to this report, your Committee is in accord with the intent and purpose of S.B. No. 3101 and recommends that it pass Second Reading and be referred to your Committee on Ways and Means.

Respectfully submitted on  
behalf of the members of the  
Committee on Economic  
Development, Environment, and  
Technology,

---

GLENN WAKAI, Chair
