
A BILL FOR AN ACT

RELATING TO A LAW ENFORCEMENT EMPLOYMENT STANDARDS AND TRAINING BOARD.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that Hawaii is the only
2 state in the country without a statewide board for law
3 enforcement employment standards or training. Given the immense
4 power and authority that the State and counties grant to police,
5 sheriffs, and other law enforcement officers who carry firearms,
6 it is important to establish recommended statewide standards for
7 these officers. These standards would benefit county and state
8 departments or agencies, as well as the general public.

9 Accordingly, the purpose of this Act is to establish an
10 advisory law enforcement employment standards and training board
11 responsible for recommending statewide standards for employment
12 and training to be implemented by state and county government
13 agencies for their law enforcement officers who carry firearms
14 and wear badges.

15 SECTION 2.. The Hawaii Revised Statutes is amended by
16 adding a new chapter to be appropriately designated and to read
17 as follows:

1 "CHAPTER

2 or other officer for the decision by a government agency to not
3 implement any employment standard or training recommendation of
4 the advisory board.

5 § -6 No county mandate. Nothing in this chapter shall
6 be construed to require a political subdivision of this State to
7 undertake a new program or increase the level of service of an
8 existing program that would require cost sharing by the State
9 under article VIII, section 5, of the Constitution of the State
10 of Hawaii.

11 If any provision of this chapter is deemed to be such a
