JUSTIFICATION SHEET

DEPARTMENT: Human Services

TITLE: A BILL FOR AN ACT RELATING TO CERTIFIED NURSE AIDES.

PURPOSE: To delete references to the Department of Human Services (DHS) as licensing or certifying health care settings, and investigating and disciplining certified nurse aides employed in health care settings.

MEANS: Amend sections 457A-1.5, 457A-2(c), and 457A-3(b), and repeal section 346-47, Hawaii Revised Statutes (HRS).

JUSTIFICATION: Act 93, Session Laws of Hawaii (SLH) 2012, provided for the consolidation of licensing and certifying of health care settings under the Department of Health. The provisions of Act 93, SLH 2012, became effective on July 1, 2014. Because DHS no longer licenses or certifies health care settings, the references to DHS licensing or certifying health care settings and DHS disciplining certified nurse aides employed in health care settings, are being deleted from sections 457A-1.5 and 457A-2, HRS.

Section 346-47, HRS, is being repealed because the provisions pertaining to investigations of abuse and neglect by certified nurse aides in health care settings licensed or certified by DHS are no longer applicable. As of July 1, 2014, DHS no longer licenses or certifies health care settings. Also, section 346-47, HRS, is unnecessary because sections 346-224 and 346-227, HRS, pertaining to Adult Protective Services, already require DHS to investigate reports of vulnerable adult abuse or neglect by individuals in health-related occupations as well as individuals employed by agencies

or institutions providing social, medical, hospital, and mental health services.

Section 457A-3(b), HRS, is being revised to clarify that DHS is not required by 42 United States Code sections 1395i-3 and 1396r to report substantiated findings to the Department of Commerce and Consumer Affairs (DCCA). Substantiated findings resulting from an adult protective services investigation conducted by DHS are reported to DCCA pursuant to section 346-225, HRS, and section 17-1401.1-6, Hawaii Administrative Rules.
