RE: S.B. No. 850

Honorable Ronald D. Kouchi
President of the Senate
Twenty-Ninth State Legislature
Regular Session of 2017
State of Hawaii

Sir:

Your Committees on Government Operations and Economic Development, Tourism, and Technology, to which was referred S.B. No. 850 entitled:

"A BILL FOR AN ACT RELATING TO INFORMATION TECHNOLOGY,"

beg leave to report as follows:

The purpose and intent of this measure is to require the Chief Information Officer to identify the information technology projects of the executive branch, including the Department of Education and University of Hawaii, that shall be subject to independent verification and validation, and award, administer, and manage the contracts of identified projects.

Your Committees received testimony in support of this measure from the University of Hawai'i System. Your Committees received comments on this measure from the Department of Education and Office of Enterprise Technology Services.

Your Committees find that requiring independent verification and validation for projects that involve substantial risk and expense will contribute to the efficient and effective functioning of state government, and the success of state modernization initiatives.

As affirmed by the records of votes of the members of your Committees on Government Operations and Economic Development, Tourism, and Technology that are attached to this report, your Committees are in accord with the intent and purpose of S.B.

No. 850 and recommend that it pass Second Reading and be referred to your Committee on Ways and Means.

Respectfully submitted on behalf of the members of the Committees on Government Operations and Economic Development, Tourism, and Technology,

GLENN WAKAI, Chair

DONNA MERCADO KIM, Chair
