
A BILL FOR AN ACT

RELATING TO STATE SELF-INSURANCE AGAINST PROPERTY AND CASUALTY RISKS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The State currently purchases third-party
2 insurance through its risk management and insurance
3 administration to cover the State's property and casualty risks.
4 The State's property and casualty insurance premium costs are
5 approximately \$19,000,000 per year.

6 The purpose of this Act is to save the State the costs of
7 its annual insurance premiums for property and casualty
8 insurance coverage by self-insuring the State's property and
9 casualty risks.

10 SECTION 2. Chapter 41D, Hawaii Revised Statutes, is
11 amended by adding a new section to be appropriately designated
12 and to read as follows:

13 "§41D- State self-insurance against property and
14 casualty risks special fund. (a) There is established in the
15 state treasury the state self-insurance against property and

1 casualty risks special fund to be administered by the
2 comptroller, through the risk manager.

3 (b) Moneys in the special fund shall be used to provide
4 the State with self-insurance coverage against property and
5 casualty risks pursuant to section 41D-2(a)(1) and (2). The
6 special fund shall pay claims to state agencies for losses to
7 property of the State caused by fire or other casualty,
8 including the cost to:

9 (1) Repair or replace buildings and other structures;

10 (2) Replace damaged contents; and

11 (3) Provide alternate structures while damaged structures
12 are being repaired or replaced.

16 fund shall be credited to the special fund.

17 (d) To ensure that the special fund is operated on an
18 actuarially sound basis, the governor shall authorize the annual
19 transfer of \$19,000,000 in general funds to the special fund.

1 (e) The comptroller may establish deductibles for the
2 state agencies for certain perils or classes of property or
3 casualty risks and may:

4 (1) Assess the agencies for losses incurred in the amount
5 of the deductible; or

6 (2) Reduce the payment from the special fund to cover the
7 property or casualty loss by the amount of the
8 deductible.

9 (f) For any year in which the balance in the special fund
10 is insufficient to keep the special fund actuarially sound and
11 pay the claims required under subsection (b), the comptroller
12 shall request that the governor authorize an advance to the
13 special fund of sufficient sums of money from other funds in the
14 state treasury.

15 (g) The moneys advanced to the special fund pursuant to
16 subsection (f) shall be repaid from the special fund in annual
17 installments, with interest. The amount of each annual
18 installment shall be fixed by the comptroller so that the moneys
19 advanced can be reasonably expected to be repaid in not more
20 than ten years.

1 (h) To ensure that moneys advanced to the special fund are

3 further assess the state agencies."
