
A BILL FOR AN ACT

RELATING TO THE NATIONAL GUARD.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

PART I

1
2 SECTION 1. By establishing its facilities and presence
3 within communities throughout the State, it is the intent of the
4 State that the department of defense serve and be an integral
5 part of the community. To that end, it is the policy of the
6 legislature to lend out department of defense facilities, in
7 accordance with Hawaii Revised Statutes and department of
8 defense requirements, on a non-interference basis, for temporary
9 public use and rental by organizations such as civic and
10 veterans groups, and non-profit entities within the community.
11 The rental moneys collected are intended to cover the costs of
12 utilities, including but not limited to water, sewer, and
13 electricity, any supplies, including but not limited to soap,
14 paper towels, and toilet paper, all related state personnel or
15 staffing costs necessary to open, close, clean, maintain, or
16 repair the facility, and the wear-and-tear on the facility
17 associated with the use of the facility. However, in accordance

1 with section 121-19, Hawaii Revised Statutes, relating to
2 regulations governing armories, etc., all moneys received from
3 the rentals shall be deposited into the general fund of the
4 State, with required amounts returned to the office of Hawaiian
5 affairs in accordance with Act 178, Session Laws of Hawaii 2006.
6 This situation requires the department of defense to utilize
7 operating funds to cover the costs of utilities, supplies, and
8 personnel for the temporary public use of its facilities by the
9 community.

10 The intent and purpose of this Act is to clarify that the
11 department of defense may continue its community involvement by
12 lending out its facilities without incurring a loss to its
13 operating budget by clarifying that the department of defense
14 may retain revenues collected to cover the cost of utilities,
15 supplies, personnel, and wear-and-tear associated with the
16 lending out of its facilities and that any net proceeds
17 collected associated with the lending out of its facilities will
18 be returned to the general fund, with required amounts returned
19 to the office of Hawaiian affairs.
