6 department of education to establish and administer an ocean
7 safety and stewardship education program for all fourth grade
8 students.

9 SECTION 2. Chapter 302A, Hawaii Revised Statutes, is
10 amended by adding a new section to subpart C of part II to be
11 appropriately designated and to read as follows:

12 "§302A- Ocean safety and stewardship education. (a)

13 The department shall establish and administer an ocean safety
14 and stewardship education program to be conducted at each public
15 elementary school for students in the fourth grade.

16 (b) The department may consult or contract with private
