10 SECTION 54. Where it has been determined that changed
11 conditions, such as a reduction in the particular population
12 being served, permit the reduction in the scope of a capital
13 improvement project described in this Act, the governor may
14 authorize such reduction of project scope.

15 SECTION 55. In releasing funds for capital improvement
16 projects, the governor shall consider legislative intent and the
17 objectives of the user agency and its programs; the scope and
18 level of the user agency's intended service; and the means,
19 efficiency, and economics by which the project will meet the
20 objectives of the user agency and the State; provided further
21 that agencies responsible for construction shall take into

1 consideration legislative intent, the objectives of the user
2 agency and its programs, and the scope and level of the user

5 economical manner possible.

6 SECTION 56. With the approval of the governor, designated
7 expending agencies for capital improvement projects authorized
8 in this Act may delegate to other state or county agencies the

11 which expending authority is to be delegated.

12 SECTION 57. Where county capital improvement projects are
13 partially or totally funded by state grants as authorized in
14 this Act or any other act of the legislature, this fact shall be
15 appropriately acknowledged during construction and upon
16 completion of these projects.

17 SECTION 58. The governor may authorize the expenditure of
18 funds for capital improvement projects not previously authorized
19 in this Act to cope with the effects of natural disasters or
20 unforeseen emergencies, when the effects of the natural
21 disasters or unforeseen emergencies create an urgent need to

1 pursue a course of action that is in the best interest of the
2 State; provided further that no funds shall be expended without
3 a formal declaration of a natural disaster or emergency by the
4 governor; and provided further that the governor shall use the
5 powers conferred under section 127A-13, Hawaii Revised Statutes,
6 or any other applicable law to accomplish the purposes of this
7 section; and provided further that the governor shall notify the
8 legislature within five days of each use of this authority and
9 submit a report to the legislature of all uses of this authority
10 for the previous fiscal year no later than September 1 of each
11 year.

12 SECTION 59. After the objectives and purposes of
13 appropriations made in this Act from the general obligation bond
14 fund for capital improvement projects have been met, unrequired
15 balances shall be transferred to the project adjustment fund
16 appropriated in part II and described in part IV of this Act,
17 and shall be considered a supplementary appropriation thereto;
18 provided that all other unrequired allotment balances,
19 unrequired appropriation balances, and unrequired encumbrance
20 balances shall lapse as of June 30, 2024, as provided in section
21 53 of this Act.

1 SECTION 60. In the event that authorized appropriations
2 specified for capital improvement projects listed in this Act or
3 in any other act currently authorized by the legislature are
4 insufficient, and where the source of funding for the project is
5 designated as the general obligation bond fund, the governor may
6 make supplemental allotments from the project adjustment fund
7 appropriated in part II and described in part IV of this Act to
8 supplement any currently authorized capital investment cost
9 elements; provided further that such supplemental allotments
10 from the project adjustment fund shall not be used to increase
11 the scope of the project.

12 SECTION 61. Any provision of this Act to the contrary
13 notwithstanding, the governor is authorized to transfer savings
14 or unrequired balances as may be available from the appropriated
15 funds of any program in this Act to supplement the appropriation
16 for any other program in this Act to cope with the effects of
17 natural disasters or other unforeseen emergencies; provided that
18 the effects of such natural disasters or emergencies create an
19 urgent need to pursue a course of action which is in the best
20 interest of the State; provided further that the use of such
21 funds does not conflict with general law; provided further that

1 no funds shall be expended without a formal declaration of a

12 expenditure by a political subdivision of this State shall be
13 considered to be a mandate to undertake new programs or to
14 increase the level of services under existing programs of that
15 political subdivision. If any appropriation authorized in this
16 Act constitutes such a mandate within the provisions of section
17 5 of article VIII of the Hawaii State Constitution, the
18 authorization shall be void and, in the case of capital
19 improvement appropriations designated to be financed from the
20 general obligation bond fund, the total general obligation bonds
21 authorized for the projects shall be correspondingly decreased.

1 SECTION 63. Whenever the expending agency to which an
2 appropriation is made is changed due to legislation enacted
3 during any session of the legislature that affects the
4 appropriations made by this Act, the governor shall transfer the
5 necessary funds and positions to the proper expending agency as
6 provided by law.

7 SECTION 64. If the State should assume the direct
8 operation of any non-governmental agency receiving state funds
9 under the provisions of this Act, all related state funds shall
10 constitute a credit to the State against the costs of acquiring
11 all or any portion of the property, real, personal, or mixed, of
12 the non-governmental agency. This credit shall be applicable
13 regardless of when the acquisition takes place.

14 SECTION 65. Any provision of this Act to the contrary
15 notwithstanding, the federal fund or other federal fund
16 appropriations made for operating costs authorized under this
17 Act for fiscal year 2021-2022 shall not lapse at the end of the
18 fiscal year for which the appropriation is made; provided that
19 all federal fund or other federal fund appropriations made to be
20 expended in fiscal year 2021-2022 which are unencumbered as of
21 June 30, 2023 shall lapse as of that date; and provided further

5 SECTION 66. If unanticipated federal funding cutbacks
6 diminish or curtail essential, federally funded state programs,
7 the governor may utilize savings as may be available from other
8 state programs for the purpose of maintaining the pre-existing
9 funding levels of the programs until July 1 of the immediately
10 succeeding fiscal year; provided that the governor may not use
11 this authority beyond July 1 of the immediately succeeding
12 fiscal year for which the need is initially identified; provided
13 further the governor shall submit a request to the legislature
14 for the continued supplemental funding of the essential
15 federally funded programs that have been funded pursuant to this
16 section no later than thirty days prior to the convening of the
17 regular sessions of 2022 and 2023; and provided further that the
18 governor shall notify the legislature within five days of each
19 use of this authority and submit a report to the legislature of

3 the legislature adjourns sine die, the governor may approve the
4 expenditure of federal funds that are in excess of levels
5 authorized by the legislature; provided that the approval of
6 excess funding shall not extend beyond July 1 of the immediately
7 succeeding fiscal year unless appropriated by the legislature;
8 provided further that the governor may allow for an increase in
9 the appropriate federal fund authorization ceiling for the
10 program to accommodate the expenditure of the funds; and
11 provided further that the governor shall notify the legislature
12 within ten days of each use of this authority and submit a
13 report to the legislature of all uses of this authority for the
14 previous fiscal year no later than September 1 of each year.

15 SECTION 68. Any provision of this Act to the contrary
16 notwithstanding, the governor may approve the extension of the
17 lapse dates for appropriated federal funds and appropriations of
18 other means of financing, except general funds, deemed necessary
19 to qualify for federal aid financing and/or federal
20 reimbursement that are appropriated in this Act and deemed
21 necessary to meet the intent of the federal grant awards;

1 provided that all federal fund appropriations and appropriations
2 of other means of financing, made to be expended in fiscal year
3 2021-2022 which are unencumbered as of June 30, 2023 shall lapse
4 as of that date; provided further that all federal fund
5 appropriations and appropriations of other means of financing,

3 SECTION 70. Except as otherwise provided by general law,
