1 SECTION 1. The legislature finds that ensuring access to

8 providing timely responses to 911 calls, which is critical to
9 increasing the likelihood of successful outcomes for injured or
10 sick individuals.

11 The purpose of this Act is to appropriate funds to purchase
12 one advanced life support ambulance and related equipment, to be
13 based on the island of Molokai, and pay related personnel costs
14 for state-certified emergency medical services personnel.

15 SECTION 2. There is appropriated out of the general
16 revenues of the State of Hawaii the sum of \$ or so
17 much thereof as may be necessary for fiscal year 2022-2023 for
