JUSTIFICATION SHEET

DEPARTMENT: ATTORNEY GENERAL

TITLE: A BILL FOR AN ACT RELATING TO SOVEREIGN IMMUNITY.

PURPOSE: To clarify and expressly state that sovereign immunity is not waived with respect to claims arising out of an act or omission that caused or contributed to, directly or indirectly, a person contracting coronavirus disease 2019 (COVID-19) or its variants and further provide that any waiver of sovereign immunity with respect to such is retroactively withdrawn for all such claims accruing on or after January 1, 2020.

MEANS: Amend section 662-15, Hawaii Revised Statutes (HRS), by adding a new subsection.

JUSTIFICATION: The COVID-19 pandemic has been extraordinarily disruptive and has imposed significant challenges across all aspects of state government. Against this backdrop, in the coming years some individuals may attempt to file legal claims against the State, asserting that State taxpayers should be liable as a result of the effects of the COVID-19 pandemic.

This bill makes clear that sovereign immunity bars such claims. As a general matter, "[i]t is well established that the State as sovereign is immune from suit except as it consents to be sued." *Figueroa v. State*, 61 Haw. 369, 381, 604 P.2d 1198, 1205 (1979). This bill clarifies that chapter 662, the State Tort Liability Act, does not apply with respect to certain legal claims against the State and its employees arising under state tort law. In particular, the bill provides that the waiver of sovereign immunity set forth in section 662-2, HRS, shall not apply to claims that an act or omission caused or

contributed to, directly or indirectly, an individual contracting COVID-19 or its variants.

Impact on the public: The bill would benefit the public by averting potentially substantial legal liability on the part of taxpayers, and by providing clear guidance regarding the application of sovereign immunity to claims arising from the COVID-19 pandemic.

Impact on the department and other agencies: The bill would provide departments with clear guidance with respect to the application of sovereign immunity to claims arising from the COVID-19 pandemic.

GENERAL FUND: This bill can only save state funds and requires no expenditure of funds to implement. Public funds that would otherwise be used to pay judgments and settlements relating to the COVID-19 pandemic may be used elsewhere.

OTHER FUNDS: None.

PPBS PROGRAM  
DESIGNATION: None.

OTHER AFFECTED  
AGENCIES: All the state agencies and all branches of government.

EFFECTIVE DATE: Upon approval.
