# A BILL FOR AN ACT

RELATING TO DIGITAL CURRENCY LICENSING PROGRAM.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1       SECTION 1. The legislature finds that digital currency is  
2 any money-like asset that is primarily managed, stored, or  
3 exchanged using internet technology. Digital currency refers  
4 to, among others, cryptocurrency, e-money, network money, and  
5 e-cash. Digital currency may be recorded on a distributed  
6 ledger on the Internet, a centralized electronic database owned  
7 by a company, or a store-value card.

8       The legislature further finds that digital currency does  
9 not have a physical form like banknotes or minted coins, is not  
10 typically issued by a governmental body, and is not considered  
11 legal tender in most countries. However, ownership of digital  
12 currency is transferrable. Digital currencies may be used to  
13 purchase goods and services and can also be restricted to "gated  
14 communities" such as online games. Digital currency may be  
15 centralized, where there is a central point of control over the  
16 digital currency, or it may be decentralized, where the control  
17 of the supply is predetermined.

1 Digital currency is viewed and maintained in digital  
2 wallets, which are electronic applications that run on a  
3 smartphones or other electronic devices. The digital wallet  
4 stores payment information and allows users to easily store and  
5 receive digital currency. As such, a digital wallet has both  
6 software and information security risks. The two types of  
7 digital wallets are hot wallets and cold wallets and users can  
8 have both. Hot wallets are connected to the internet and used  
9 for transactions. Cold wallets are used for storing and holding  
10 digital currency and are not connected to the Internet. Digital  
11 wallets use keys to establish ownership of the address of the  
12 digital currency. Digital wallet users have a private key,  
13 known only to the user and the user's wallet, and a public key,  
14 which is available on the digital currency address.

15 The legislature additionally finds that digital currency  
16 has grown in popularity and acceptance nationwide. There is,  
17 however, little regulation of the industry. The department of  
18 commerce and consumer affairs' division of financial  
19 institutions and the Hawaii technology development corporation  
20 are currently conducting a two-year "sandbox" program to study  
21 digital currency transactions, known as the Digital Currency

1 Innovation Lab (DCIL). This study allows companies to conduct  
2 digital currency transactions, without obtaining a money  
3 transmitter license, while the division of financial  
4 institutions evaluates the need for more permanent and  
5 comprehensive oversight. The DCIL program found that digital  
6 currency transactions cannot be effectively regulated through  
7 existing money transmitter laws and concluded that a new  
8 regulatory framework is needed. Absent the legislative action  
9 proposed by this Act, however, transactions with customers in  
10 participating companies in the DCIL shall terminate on June 30,  
11 2022, followed by a wind-down period through the end of 2022.

12 Accordingly, the purpose of this Act is to:

- 13 (1) Create a digital currency licensing program, which  
14 shall replace the DCIL program and be regulated by the  
15 department of commerce and consumer affairs' division  
16 of financial institutions; and  
17 (2) Continue the study of use cases by the Hawaii  
18 technology development corporation.

19 SECTION 2. The Hawaii Revised Statutes is amended by  
20 adding a new chapter to be appropriately designated and to read

9           §    -10   **Issuance of license; grounds for denial.**   (a) The  
10 commissioner shall conduct an investigation of every applicant  
11 to determine the financial responsibility, character, and  
12 general fitness of the applicant. The commissioner shall issue  
13 the applicant a license to engage in the digital currency  
14 business activity if the commissioner determines that:

15           (1) The applicant or, in the case of an applicant that is  
16 not an individual, each of the applicant's control

2 be deemed a revocation;

3 (2) The applicant or, in the case of an applicant that is  
4 not an individual, each of the applicant's control  
5 persons, executive officers, directors, general  
6 partners, and managing members, has not been convicted  
7 of, pled guilty or nolo contendere to, or been granted  
8 a deferred acceptance of a guilty plea under federal  
9 law or under chapter 853 to a felony in a domestic,  
10 foreign, or military court:

12 of the application for licensing; or

13 (B) At any time preceding the date of application, if  
14 the felony involved an act of fraud, dishonesty,  
15 breach of trust, or money laundering; provided  
16 that any pardon of a conviction shall not be  
17 deemed a conviction for the purposes of this  
18 section;

19 (3) The applicant or, in the case of an applicant that is  
20 not an individual, each of the applicant's control  
21 persons, executive officers, directors, general

1           partners, and managing members, has demonstrated  
2           financial responsibility, character, and general  
3           fitness to command the confidence of the community and  
4           to warrant a determination that the applicant shall  
5           operate honestly, fairly, and efficiently, pursuant to  
6           this chapter. For the purposes of this paragraph, a  
7           person is not financially responsible when the person  
8           has shown a disregard in the management of the  
9           person's financial condition. A determination that a  
10          person has shown a disregard in the management of the

13 and meeting the requirements of this section.

14 (d) A licensee that has not filed an annual report that  
15 has been deemed complete by the commissioner or paid its annual  
16 renewal fee by the renewal filing deadline, and has not been  
17 granted an extension of time to do so by the commissioner, shall  
18 have its license suspended on the renewal date. The licensee  
19 shall have thirty days after its license is suspended to file an  
20 annual report and pay the annual renewal fee, plus a late filing  
21 fee of \$250 for each day after suspension that the commissioner

5 **PART III. ENFORCEMENT**

6 **§ -13 Enforcement authorities; violations; penalties.**

7 (a) To ensure the effective supervision and enforcement of this  
8 chapter, the commissioner, pursuant to chapter 91, may take any  
9 disciplinary action as specified in subsection (b) against an  
10 applicant or licensee if the commissioner finds that:

11 (1) The applicant or licensee has violated this chapter or  
12 any rule or order lawfully made pursuant to this  
13 chapter;

14 (2) The applicant has failed to disclose facts or  
15 conditions exist that would clearly have justified the  
16 commissioner in denying an application for licensure,  
17 had these facts or conditions been known to exist at  
18 the time the application was made;

19 (3) The applicant or licensee has failed to provide  
20 information required by the commissioner within a  
21 reasonable time, as specified by the commissioner;

- 1       (4) The applicant or licensee has failed to provide or  
2       maintain proof of financial responsibility;
- 3       (5) The applicant or licensee is insolvent;
- 4       (6) The applicant or licensee has made, in any document or  
5       statement filed with the commissioner, a false  
6       representation of a material fact or has omitted to  
7       state a material fact;
- 8       (7) The applicant, licensee, or, if an applicant or  
9       licensee is not an individual, each and every of the  
10      applicant's or licensee's control persons, executive  
11      officers, directors, general partners, and managing  
12      members have been convicted of or entered a plea of  
13      guilty or nolo contendere to a crime involving fraud  
14      or deceit, or to any similar crime under the  
15      jurisdiction of any federal court or court of another  
16      state;
- 17      (8) The applicant or licensee has failed to make,  
18      maintain, or produce records required by any rule  
19      adopted by the commissioner pursuant to chapter 91;

(9) The applicant or licensee has been the subject of any disciplinary action by any state or federal agency that resulted in revocation of a license;

(10) A final judgment has been entered against the applicant or licensee for violations of this chapter, any state or federal law concerning a digital currency license or money transmitters, or any state or federal law prohibiting unfair or deceptive acts or practices; or

(11) The applicant or licensee has failed, in a timely manner as specified by the commissioner, to take or provide proof of the corrective action required by the commissioner subsequent to an investigation or examination pursuant to section -19.

(b) After a finding of one or more of the conditions under subsection (a), the commissioner may take any or all of the following actions:

(1) Deny an application for licensure, including an application for a branch office license;

(2) Revoke the license;

(3) Suspend the license for a period of time;

1           (4)    Issue an order to the licensee to cease and desist  
2                   from engaging in any act specified under subsection  
3                   (a);

4           (5)    Order the licensee to make refunds to consumers of  
5                   excess charges under this chapter;

6           (6)    Impose penalties of up to \$10,000 for each violation;  
7                   and

8           (7)    Prohibit a person from applying for or holding a  
9                   license for a period of five years following  
10                  revocation of the person's license.

11          (c)    The commissioner may issue a temporary cease and  
12                  desist order if the commissioner makes a finding that the  
13                  licensee, applicant, or person is engaging, has engaged, or is  
14                  about to engage in an illegal, unauthorized, unsafe, or unsound  
15                  practice in violation of this chapter. Whenever the  
16                  commissioner denies a license application or takes disciplinary  
17                  action pursuant to this subsection, the commissioner shall enter  
18                  an order to that effect and notify the licensee, applicant, or  
19                  person of the denial or disciplinary action. The notification  
20                  required by this subsection shall be given by personal service  
21                  or by certified mail to the last known address of the licensee

1 or applicant as shown on the application, license, or as  
2 subsequently furnished in writing to the commissioner.

3 (d) The revocation, suspension, expiration, or surrender  
4 of a license shall not affect the licensee's liability for acts  
5 previously committed or impair the commissioner's ability to  
6 issue a final agency order or take disciplinary action against  
7 the licensee.

8 (e) No revocation, suspension, or surrender of a license  
9 shall impair or affect the obligation of any preexisting lawful  
10 contract between the licensee and any consumer.

11 (f) The commissioner may reinstate a license, terminate a  
12 suspension, or grant a new license to a person whose license has  
13 been revoked or suspended if no fact or condition then exists  
14 that clearly would justify the commissioner in revoking,  
15 suspending, or refusing to grant a license.

16 (g) The commissioner may impose an administrative fine on  
17 a licensee or person subject to this chapter if the commissioner  
18 finds from the record after notice and opportunity for hearing  
19 that the licensee or person subject to this chapter has violated  
20 or failed to comply with any requirement of this chapter or any

1 rule prescribed by the commissioner under this chapter or order  
2 issued under the authority of this chapter.

3 (h) Each violation or failure to comply with any directive  
4 or order of the commissioner shall be a separate and distinct  
5 violation.

6 (i) Any violation of this chapter that is directed toward,  
7 targets, or injures an elder may be subject to an additional  
8 civil penalty not to exceed \$10,000 for each violation in  
9 addition to any other fines or penalties assessed for the  
10 violation.

11 § -14 Voluntary surrender of license. (a) A licensee  
12 may voluntarily cease business and surrender its license by  
13 giving written notice to the commissioner of its intent to  
14 surrender its license. Prior to the surrender date of a  
15 license, the licensee shall have either completed all pending  
16 digital currency transactions or assigned each pending digital  
17 currency transaction to another licensee or entity.

18 (b) Notice pursuant to this section shall be provided at  
19 least thirty days before the surrender of the license and shall  
20 include:

21 (1) The date of surrender;

1           (2) The name, address, telephone number, facsimile number,  
2           and electronic mail address of a contact individual  
3           with knowledge and authority sufficient to communicate  
4           with the commissioner regarding all matters relating  
5           to the licensee during the period that it was licensed  
6           pursuant to this chapter;

7           (3) The reason or reasons for surrender;

8           (4) Total dollar amount of the licensee's outstanding  
9           digital currency transactions in Hawaii and the  
10          individual amounts of each outstanding digital  
11          currency transactions, and the name, address, and  
12          contact telephone number of the licensee to whom each  
13          outstanding digital currency transaction was assigned;

14          (5) A list of the licensee's Hawaii authorized branch  
15          offices, if any, as of the date of surrender;

16          (6) Confirmation that the licensee has notified each of  
17          its Hawaii authorized branch offices, if any, that the  
18          branch offices may no longer conduct digital currency  
19          business activity on the licensee's behalf; and

20          (7) Confirmation that the licensee has notified each of  
21          its digital currency accounts, if any, that the

1 digital currency account is being transferred and the  
2 name, address, telephone number, and any other contact  
3 information of the licensee or entity described in  
4 section -14 to whom the digital currency was assigned.

5 (c) Voluntary surrender of a license shall be effective  
6 upon the date of surrender specified on the written notice to  
7 the commissioner as required by this section; provided that the  
8 licensee has met all the requirements of voluntary surrender and  
9 has returned the original license issued.

10 § -15 **Special purpose digital currency company; sale or**  
11 **transfer of license; change of control.** (a) A special purpose  
12 digital currency company license shall not be transferred,  
13 except as provided in this section.

14 (b) A person or group of persons requesting approval of a  
15 proposed change of control of a licensee shall submit to the  
16 commissioner an application requesting approval of a proposed  
17 change of control of the licensee, accompanied by a  
18 nonrefundable application fee of \$10,000.

19 (c) After review of a request for approval under  
20 subsection (b), the commissioner may require the licensee or  
21 person or group of persons requesting approval of a proposed

1 change of control of the licensee, or both, to provide  
2 additional information concerning the persons who shall assume  
3 control of the licensee. The additional information shall be  
4 limited to similar information required of the licensee or  
5 persons in control of the licensee as part of its original  
6 license or renewal application. The information shall include,  
7 for the five-year period prior to the date of the application  
8 for change of control of the licensee, a history of material  
9 litigation and criminal convictions of each person who, upon  
10 approval of the application for change of control, will be a  
11 principal of the licensee. Authorization shall also be given to  
12 conduct criminal history record checks of those persons,  
13 accompanied by the appropriate payment of the applicable fee for  
14 each record check.

15 (d) The commissioner shall approve a request for change of  
16 control under subsection (b) if, after investigation, the  
17 commissioner determines that the person or group of persons  
18 requesting approval has the competence, experience, character,  
19 and general fitness to control the licensee or person in control  
20 of the licensee in a lawful and proper manner, and that the

1 interests of the public will not be adversely affected by the  
2 change of control.

3 (e) The following persons shall be exempt from the  
4 requirements of subsection (b), but the licensee, regardless,  
5 shall notify the commissioner when a change of control results  
6 in the following:

7 (1) A person who acts as a proxy for the sole purpose of  
8 voting at a designated meeting of the security holders  
9 or holders of voting interests of a licensee or person  
10 in control of a licensee;

11 (2) A person who acquires control of a licensee by devise  
12 or descent;

13 (3) A person who acquires control as a personal

15 trustee, or as an officer appointed by a court of  
16 competent jurisdiction or by operation of law; or

17 (4) A person whom the commissioner, by rule or order,  
18 exempts in the public interest.

19 (f) Before filing a request for approval for a change of  
20 control, a person may request, in writing, a determination from  
21 the commissioner as to whether the person would be considered a

1 person in control of a licensee upon consummation of a proposed  
2 transaction. If the commissioner determines that the person  
3 would not be a person in control of a licensee, the commissioner  
4 shall enter an order to that effect and the proposed person and  
5 transaction shall not be subject to subsections (b) through (d).

6 (g) Subsection (b) shall not apply to public offerings of  
7 securities.

8 § -16 **Special purpose digital currency company;**  
9 **authorized places of business; principal office; branch offices;**  
10 **relocation; closure.** (a) Every special purpose digital  
11 currency company licensed under this chapter shall have and  
12 maintain a principal place of business in the State, regardless  
13 of whether the special purpose digital currency company  
14 maintains its principal office outside of the State.

15 (b) If a special purpose digital currency company has more  
16 than one place of business, each additional place of business in  
17 the State shall be licensed as a branch office with the  
18 commissioner. No business shall be conducted at a branch office  
19 until the branch office has been licensed by the commissioner.

20 (c) No special purpose digital currency company shall  
21 maintain any branch offices in the State in addition to its

1 principal place of business without the prior written approval  
2 of the commissioner. An application to establish a branch  
3 office shall be submitted through NMLS with a nonrefundable  
4 application fee as required by section -11.

5 (d) No special purpose digital currency company shall  
6 relocate any office in the State without the prior written  
7 approval of the commissioner. An application to relocate an  
8 office shall be submitted to the commissioner at least thirty  
9 days before relocating and shall set forth the reasons for the  
10 relocation, the street address of the proposed relocated office,  
11 and other information that may be required by the commissioner.  
12 An application to relocate an office pursuant to this subsection  
13 shall be submitted with a nonrefundable fee as required by  
14 section -11.

15 (e) A special purpose digital currency company shall give  
16 the commissioner notice of its intent to close a branch office  
17 at least thirty days before the closing. The notice shall:

- 18 (1) State the intended date of closing; and  
19 (2) Specify the reasons for the closing.

20 (f) The principal place of business and each branch office  
21 of the special purpose digital currency company shall be

1 identified in NMLS to consumers as a location at which the  
2 licensee holds itself out as a special purpose digital currency  
3 company.

4 (g) A license issued under this chapter shall be  
5 prominently displayed in the principal place of business and  
6 each branch office.

7 § -17 **Payment of fees.** All fees collected pursuant to  
8 section -11, administrative fines, and other charges collected  
9 pursuant to this chapter shall be deposited into the compliance  
10 resolution fund established pursuant to section 26-9(o) and  
11 shall be payable through NMLS, to the extent allowed by NMLS.  
12 Fees not eligible for payment through NMLS shall be deposited  
13 into a separate account within the compliance resolution fund  
14 for use by the division.

15 § -18 **Advertising and marketing.** (a) No licensee  
16 engaged in digital currency business activity shall advertise  
17 its products, services, or activities in Hawaii or to Hawaii  
18 consumers without including the name of the Licensee and the  
19 legend that such Licensee is "Licensed to engage in Digital  
20 Currency Business Activity by the Hawaii Division of Financial  
21 Institutions".

(b) Each licensee shall maintain, for examination by the superintendent, all advertising and marketing materials for a period of at least seven years from the date of their creation, including but not limited to print media, internet media (including websites), radio and television advertising, road show materials, presentations, and brochures. Each licensee shall maintain hard copy, website captures of material changes to internet advertising and marketing, and audio and video scripts of its advertising and marketing materials, as applicable.

(c) In all advertising and marketing materials, each licensee shall comply with all disclosure requirements under federal and state laws, rules, and regulations.

(d) In all advertising and marketing materials, each licensee and any person or entity acting on its behalf, shall not, directly or by implication, make any false, misleading, or deceptive representations or omissions.

**§ -19 Powers of commissioner.** (a) The commissioner may adopt rules pursuant to chapter 91 as the commissioner deems necessary for the administration of this chapter.

1           (b) In addition to any other powers provided by law, the  
2 commissioner shall have the authority to:

3           (1) Issue declaratory rulings or informal nonbinding  
4 interpretations;

5           (2) Investigate and conduct hearings regarding any  
6 violation of this chapter or any rule or order of, or

10          similar proclamation issued or adopted by the Federal  
11          Deposit Insurance Corporation to the same extent and

13          or, in the alternative, any policy position of the  
14          Conference of State Bank Supervisors;
- 15          (8) Enter into agreements or relationships with other  
16          government officials or regulatory associations in  
17          order to improve efficiencies and reduce regulatory

20          information, or evidence obtained under this chapter;

1       (9) Use, hire, contract, or employ public or privately

10      to this chapter in the course of that part of the  
11      examination covering the same general subject matter  
12      as the audit and may incorporate the audit report in  
13      the report of the examination, report of  
14      investigation, or other writing of the commissioner;  
15      and

16      (12) Require that all fees, fines, and charges collected by  
17      the commissioner under this chapter, be deposited into

21      \$125,000 of the fees collected may be allocated to the

1 Hawaii technology development corporation to implement

2 -23.

3 § -20 Investigation and examination authority. (a) In

4 addition to the authority granted under section -19(b), the

5 commissioner shall have the authority to conduct investigations

6 and examinations in accordance with this section. The

7 commissioner may access, receive, and use any books, accounts,

8 records, files, documents, information, or any other material or

9 information that the commissioner deems relevant to the

10 investigation or examination, regardless of the location,

11 possession, control, or custody of the documents, information,

12 or evidence.

13 (b) For the purposes of investigating violations or

14 complaints arising under this chapter, or for the purposes of

15 examination, the commissioner may review, investigate, or

16 examine any licensee or person subject to this chapter as often

17 as necessary to carry out the purposes of this chapter. The

18 commissioner may direct, subpoena, or order the attendance of,

19 and examine under oath, all persons whose testimony may be

20 required about loans or the business or subject matter of any

21 investigation or examination and may direct, subpoena, or order

1 the person to produce books, accounts, records, files, and any  
2 other documents the commissioner deems relevant to the inquiry.

3 (c) Each licensee or person subject to this chapter shall  
4 provide to the commissioner, upon request, the books and records  
5 relating to the operations of the licensee or person subject to  
6 this chapter. The commissioner shall have access to the books

18 transactions in a format prescribed by the  
19 commissioner; and

20 (3) Any other information that the commissioner deems

1           (e) In conducting any investigation or examination

4 investigation or examination. The commissioner may take  
5 possession of the documents and records or place a person in  
6 exclusive charge of the documents and records. During the  
7 period of control, no person shall remove or attempt to remove  
8 any of the documents and records except pursuant to a court  
9 order or with the consent of the commissioner. Unless the  
10 commissioner has reasonable grounds to believe the documents or  
11 records of the licensee or person under investigation or  
12 examination have been, or are at risk of being, altered or  
13 destroyed for the purposes of concealing a violation of this  
14 chapter, the licensee or owner of the documents and records

16 conduct its ordinary business affairs.

17           (f) The authority of this section shall remain in effect,  
18 whether a licensee or person subject to this chapter acts or

20 State, or claims to act without such authority.

1           (g) No licensee or person subject to investigation or  
2 examination under this section may knowingly withhold, abstract,  
3 remove, mutilate, destroy, or secrete any books, records,  
4 computer records, or other information.

5           (h) The commissioner may charge an investigation or  
6 examination fee, payable to the commissioner, based upon the  
7 cost per hour per examiner for all licensees and persons subject  
8 to this chapter investigated or examined by the commissioner or  
9 the commissioner's staff. The hourly fee shall be \$60 or an  
10 amount as the commissioner shall establish by rule pursuant to  
11 chapter 91. In addition to the investigation or examination  
12 fee, the commissioner may charge any person who is investigated

17 commissioner.

18           (i) Any person having reason to believe that this chapter  
19 or the rules adopted under this chapter have been violated, or  
20 that a license issued under this chapter should be suspended or  
21 revoked, may file a written complaint with the commissioner,

1 setting forth the details of the alleged violation or grounds  
2 for suspension or revocation.

7 provided to NMLS, and any privilege arising under federal or  
8 state law, including the rules of any federal or state court,  
9 with respect to the information or material shall continue to

17 shall be authorized to enter into agreements or sharing  
18 arrangements with other governmental agencies, the Conference of  
19 State Bank Supervisors, or other associations representing  
20 governmental agencies as established by rule or order of the  
21 commissioner.

1 (c) Information or material that is subject to a privilege  
2 or confidentiality under subsection (a) shall not be subject to:

3 (1) Disclosure under chapter 92F or any other law  
4 governing the disclosure to the public of information  
5 held by an officer or an agency of the state; or

6 (2) Subpoena or discovery, or admission into evidence, in  
7 any private civil action or administrative process,  
8 unless any privilege is determined by NMLS to be  
9 applicable to the information or material; provided

11 pertains waives, in whole or in part, in the  
12 discretion of the person, that privilege.

**§ -22 Prohibited practices.** (a) It shall be a violation of this chapter for a licensee, its control persons, executive officers, directors, general partners, managing members, employees, or independent contractors, or any other person subject to this chapter to:
