
A BILL FOR AN ACT

RELATING TO TAXATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the State's shipping
2 industry is critical to the people of Hawaii. It is the means
3 by which most goods come to the islands to support our lives
4 thousands of miles away from any continents.

5 The legislature also finds that, because nearly all goods
6 are imported into the State and then transported between our
7 islands, the costs of goods are much higher than nearly anywhere
8 else in the United States. As such, Hawaii is extremely
9 sensitive to the costs of goods, including the fees and taxes
10 that are associated with shipping.

11 The legislature further finds that Hawaii's general excise
12 tax is intended to be a comprehensive tax that covers nearly all
13 levels of transactions, not just at the point of sale. However,
14 it has been the policy of the legislature that certain
15 transactions should not be taxed. As a result, certain
16 exemptions are recognized under the general excise tax law.

1 The legislature finds that current state law already
2 recognizes that amounts received or accrued from certain broad
3 categories of shipping activities, such as loading and unloading
4 of cargo, transporting of pilots, rigging gear, checking freight
5 and similar services, and usage of moorings and running dock
6 lines, are exempt from the general excise tax.

7 The legislature also finds that the department of taxation
8 has issued guidance regarding factors to be considered when
9 determining whether or not amounts received as fees or taxes
10 imposed on a third party and collected by the taxpayer should be
11 taxed. For example, in 2008 the department issued Announcement
12 2008-05, which stated that rental motor vehicle customer
13 facility charges are not subject to the general excise tax
14 because:

- 15 (1) The charges are assessed upon the customer;
- 16 (2) The business serves in the capacity of a conduit or
17 agent of the department as a collector; and
- 18 (3) The moneys do not represent gross revenue or gross
19 proceeds.

20 As such, the fees were deemed exempt under the three-factor
21 test. Similarly, the same announcement stated that the newly

1 established fee to be collected by transportation companies for
2 the inspection, quarantine, and eradication of invasive species
3 contained in any freight would not be subject to the general
4 excise tax because the transportation company merely collected
5 the fee on behalf of the department of agriculture.

6 The legislature further finds that, despite longstanding
7 policy decisions and guidance provided by the department of
8 taxation, further clarification is necessary to unequivocally
9 provide that amounts received or accrued from certain fees and
10 charges related to shipping should continue to be exempt under
11 the general excise tax law.

12 It has long been recognized by the legislature that
13 exemptions relating to the transportation of cargo by ship are
14 warranted because the imposition of tax on the amounts received
15 or accrued for interstate shipping would have a substantial
16 negative impact on the State's economy. Increased shipping
17 costs would ultimately be borne by consumers, leading to the
18 further escalation of the State's cost of living. The
19 legislature finds that this is unacceptable.

1 The purpose of this Act is to clarify that amounts received
2 or accrued for wharfage and demurrage services are exempt under
3 the general excise tax law.

4 SECTION 2. Section 237-24.3, Hawaii Revised Statutes, is
5 amended to read as follows:

6 "**§237-24.3 Additional amounts not taxable.** In addition to
7 the amounts not taxable under section 237-24, this chapter shall
8 not apply to:

9 (1) Amounts received from the loading, transportation, and
10 unloading of agricultural commodities shipped for a
11 producer or produce dealer on one island of this State
12 to a person, firm, or organization on another island
13 of this State. The terms "agricultural commodity",
14 "producer", and "produce dealer" shall be defined in
15 the same manner as they are defined in section 147-1;
16 provided that agricultural commodities need not have
17 been produced in the State;

18 (2) Amounts received by the manager, submanager, or board
19 of directors of:

 - 15 states or countries or between the islands of the
 - 16 State;
 - 17 (B) Tugboat services including pilotage fees

7 that is paid to the department of transportation;
- 8 (4) Amounts received by an employee benefit plan by way of
9 contributions, dividends, interest, and other income;
10 and amounts received by a nonprofit organization or
11 office, as payments for costs and expenses incurred
12 for the administration of an employee benefit plan;
13 provided that this exemption shall not apply to any
14 gross rental income or gross rental proceeds received
15 after June 30, 1994, as income from investments in
16 real property in this State; and provided further that
17 gross rental income or gross rental proceeds from
18 investments in real property received by an employee
19 benefit plan after June 30, 1994, under written
20 contracts executed prior to July 1, 1994, shall not be
21 taxed until the contracts are renegotiated, renewed,

1 or extended, or until after December 31, 1998,
2 whichever is earlier. For the purposes of this
3 paragraph, "employee benefit plan" means any plan as
4 defined in title 29 United States Code section
5 1002(3), as amended;

6 (5) Amounts received for purchases made with United States
7 Department of Agriculture food coupons under the
8 federal food stamp program, and amounts received for

12 Children;

13 (6) Amounts received by a hospital, infirmary, medical
14 clinic, health care facility, pharmacy, or a
15 practitioner licensed to administer the drug to an
16 individual for selling prescription drugs or

18 this paragraph shall not apply to any amounts received
19 for services provided in selling prescription drugs or
20 prosthetic devices. As used in this paragraph:

1 "Prescription drugs" are those drugs defined
2 under section 328-1 and dispensed by filling or
3 refilling a written or oral prescription by a
4 practitioner licensed under law to administer the drug
5 and sold by a licensed pharmacist under section 328-16
6 or practitioners licensed to administer drugs;
7 provided that "prescription drugs" shall not include
8 cannabis or manufactured cannabis products authorized
9 pursuant to chapters 329 and 329D; and

10 "Prosthetic device" means any artificial device
11 or appliance, instrument, apparatus, or contrivance,
12 including their components, parts, accessories, and
13 replacements thereof, used to replace a missing or
14 surgically removed part of the human body, which is
15 prescribed by a licensed practitioner of medicine,
16 osteopathy, or podiatry and that is sold by the
17 practitioner or that is dispensed and sold by a dealer
18 of prosthetic devices; provided that "prosthetic
19 device" shall not mean any auditory, ophthalmic,
20 dental, or ocular device or appliance, instrument,
21 apparatus, or contrivance;

- 1 (7) Taxes on transient accommodations imposed by chapter
2 237D and passed on and collected by operators holding
3 certificates of registration under that chapter;
- 4 (8) Amounts received as dues by an unincorporated
5 merchants association from its membership for
6 advertising media, promotional, and advertising costs
7 for the promotion of the association for the benefit
8 of its members as a whole and not for the benefit of

15 for the benefit of its members, families, and
16 dependents for medical or hospital care, pensions
17 on retirement or death of employees,
18 apprenticeship and training, and other membership
19 service programs.
- 20 As used in this paragraph, "labor organization" means
21 a labor organization exempt from federal income tax

1 under section 501(c)(5) of the Internal Revenue Code,
2 as amended;

3 (10) Amounts received from foreign diplomats and consular
4 officials who are holding cards issued or authorized
5 by the United States Department of State granting them
6 an exemption from state taxes; and

7 (11) Amounts received as rent for the rental or leasing of
8 aircraft or aircraft engines used by the lessees or
9 renters for interstate air transportation of
10 passengers and goods. For purposes of this paragraph,
11 payments made pursuant to a lease shall be considered
12 rent regardless of whether the lease is an operating
13 lease or a financing lease. The definition of
14 "interstate air transportation" is the same as in
15 49 U.S.C. section 40102."

16 SECTION 3. Statutory material to be repealed is bracketed
17 and stricken. New statutory material is underscored.

18 SECTION 4. This Act shall take effect on January 1, 2050.
