# A BILL FOR AN ACT

RELATING TO THE SCHOOL FACILITIES AUTHORITY.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that occasionally  
2 statutes require clarifying amendments. While often technical,  
3 these amendments can include substantive elements and if they  
4 do, should be thoroughly considered.

5           The legislature further finds that section 13 of Act 217,  
6 Session Laws of Hawaii 2021, replaced the terms "department",  
7 "board", or "board of education" with "school facilities  
8 authority" in section 302A-1151.1, Hawaii Revised Statutes. The  
9 amended statute, however, contains redundant and confusing  
10 references that need clarification.

11           The purpose of this Act is to make necessary amendments to  
12 clarify certain references to the school facilities authority  
13 used in section 302A-1151.1, Hawaii Revised Statutes.

14           SECTION 2. Section 302A-1151.1, Hawaii Revised Statutes,  
15 is amended as follows:

16           1. By amending subsection (a) to read:

# S.B. NO. 7

1           "(a) There shall be established within the school  
 2 facilities authority a pilot program for the lease of public  
 3 school land, including facilities. The school facilities  
 4 authority, in consultation with [~~the school facilities authority~~  
 5 ~~and~~] any other appropriate agency, shall serve as the  
 6 facilitator of the pilot program."

7           2. By amending subsection (d) to read:

8           "(d) Nothing in this section shall preclude the school  
 9 facilities authority from working with and receiving assistance  
 10 from any other [~~school facilities authority~~] department or  
 11 agency in carrying out the purposes of this section."

12           SECTION 3. Statutory material to be repealed is bracketed  
 13 and stricken. New statutory material is underscored.

14           SECTION 4. This Act shall take effect upon its approval.
