

STAND. COM. REP. NO.

3925

Honolulu, Hawaii

APR 23 2024

RE: H.C.R. No. 87

Honorable Ronald D. Kouchi
President of the Senate
Thirty-Second State Legislature
Regular Session of 2024
State of Hawaii

Sir:

Your Committee on Public Safety and Intergovernmental and Military Affairs, to which was referred H.C.R. No. 87 entitled:

"HOUSE CONCURRENT RESOLUTION REQUESTING THE HAWAII EMERGENCY MANAGEMENT AGENCY TO INSTALL A NEW EMERGENCY SIREN NEAR THE INTERSECTION OF AUMAKUA STREET AND AUHUUH STREET IN UPPER PACIFIC PALISADES,"

begs leave to report as follows:

The purpose and intent of this measure is to request the Hawaii Emergency Management Agency to install a new emergency siren near the intersection of Aumakua Street and Auhuhu Street in upper Pacific Palisades.

Your Committee received testimony in support of this measure from the Pearl City Neighborhood Board No. 21 and one individual.

Your Committee finds that residents living in the Pacific Palisades area of Oahu assert that they are unable to hear the emergency siren located at Pearl City High School. Your Committee further finds that the alternate emergency siren at Palisades Elementary School has been inoperable for several years, creating a public safety concern in the event of a critical public emergency. Your Committee concludes that a new emergency siren is needed in the upper Pacific Palisades area to keep residents alerted to all civil defense emergencies in a timely manner to take any necessary safety measures.

As affirmed by the record of votes of the members of your Committee on Public Safety and Intergovernmental and Military Affairs that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 87, and recommends its adoption.

Respectfully submitted on behalf of the members of the Committee on Public Safety and Intergovernmental and Military Affairs,

GLENN WAKAI, Chair
